1. One Day Workshop on Scope of Ayush Pharmacy organised by School of Allied Health Sciences (AYUSH), Khongnangthaba University on 12th January, 2024.

The School of Allied Health Sciences (AYUSH) at Khongnangthaba University organised a workshop on the scope of Ayush Pharmacy on 12th January 2024. The workshop aimed to explore the potential and opportunities in the field of Ayush (Ayurveda, Yoga & Naturopathy, Unani, Siddha, and Homeopathy) pharmacy. It included sessions on the principles of Ayush systems, the role of pharmacists in Ayush, and the regulatory framework governing Ayush medicines. Experts from the Ayush industry, academia, and regulatory bodies participated in the workshop. The event provided valuable insights for students and professionals interested in pursuing careers in Ayush pharmacy, emphasizing the growing importance of alternative and complementary medicine.

Annual Report 2023-24

2. Included Khongnangthaba University in to in the National Scholarship Portal (NSP) on 10 February 2024.

On 10th February 2024, Khongnangthaba University was included in the National Scholarship Portal (NSP), a significant development that enabled students to apply for various scholarships offered by the government. The NSP is a one-stop solution for students seeking scholarships to support their education. Inclusion in the NSP ensures that students from Khongnangthaba University can access a wide range of scholarships based on merit, need, and other criteria. This development is expected to provide financial assistance to deserving students, reducing the economic burden on their families and encouraging higher enrolment and retention rates.
